WINE LIST & TASTING NOTES

All the wines are very carefully selected by us. My husband is very picky about his wines and I help with tasting - of course I am in charge of making sure there is no wastage after his dramatic tasting process - especially the White wine !!! this time we have introduced Fishbone Ruby Rose, voted as a top cellar door experience in Halliday's 2021 and a must-try wine. They are our favorite wines and we hope enjoy them as much as we do !!!

WINE LIST & TASTING NOTES

While retaining our favorite Barossa Valley wines from the St Halletts and Grant Burge we have introduced my husband's favorite wines from Tatchilla. Established in 1903, Tatchilla is a McLaren Vale stalwart, producing wines of distinction.

Red Wines

Grant Burge Barossa Shiraz – Glass – 9 / Bottle – \$ 38

Deep ruby red in colour, the Benchmark Shiraz immediately impresses with aromas of ripe plum, dark chocolate and red berry fruit which is all supported by hints of vanilla and spice. The palate is full silky with rich layers of black fruit, blackberry and subtle black pepper notes

St Halletts Gamekeepers Barossa Shiraz – Glass – \$ 10 / Bottle – \$ 42

St Hallett and Shiraz goes hand in hand when you start talking about the Barossa. The Gamekeeper's Shiraz displays lifted and pretty notes of lively purple fruit characters with a delicate hint of violets. Pure red fruits dominate on the palate, with lifted spices of cinnamon.

Tatchilla 'Burnt Souls' McLaren Vale Shiraz – Bottle – \$ 48

The Vale range, fittingly tells stories of the coastal wine region: rain drops on the tide at the end of a winter's day; the pale "moons" rising on Maslin Beach; and the red dirt burnt deep into the souls of those who call the Vale home. Using traditional open fermenters with hand plunging has resulted in this classic regional style with ripe blackberry fruit character enhanced by a touch of toasty oak. A textbook example of McLaren Vale Shiraz.

Grant Burge Barossa Cabernet Sauvignon – Glass – \$ 9 / Bottle – \$ 38

Punching well above its weight, this Benchmark Cabernet is a testament to the strength of the fruit resource available to the Grant Burge team. Dark red with a classic blackcurrant and raspberry with mint and spice notes, rounded texture, supple tannins and savoury oak.

Tatchilla 'Drops on Tide' McLaren Vale Cabernet Sauvignon – Bottle – \$ 48

Tatchilla's Home collection is created using fruit solely from McLaren Vale fittingly telling stories of the coastal wine region: rain drops on the tide at the end of a winter's day and the pale "moons" rising on Maslin Beach. This is a smooth and velvety Cabernet bursting with fruit flavours; cassis, mint and spice. Smooth rolling palate of blackberry and soft textural tannin.

Red Hill Estate Cool Climate Pinot Noir – Bottle – \$ 45

Although Australia is known for its darker wines, it is starting to produce high-quality Pinot Noir in its cooler regions with some consistency. This cool climate classic Mornington Peninsula Pinot Noir shows the familiar perfume and elegance with flavours of liqueur cherries, spice, silky tannins and a hint of oak.

Amberley Western Australian Merlot – Bottle – 38

Grown under the warm Western Australian sun and cooled by local sea breezes, the Amberley vineyards produce fruit with vibrant, attractive fruit flavours expressed through their wines. This Merlot has rich, ripe plums and juicy raspberry flavours, supported by firm tannins.
